Date Submitted: 8-12-19

Requesting Agency: Technology Services
Division:

Subject Matter Expert Name: Joe Saporito
Email Address: joseph.saporito@denvergov.org

Item Title & Description:

*(Do not delete the following instructions)
These appear on the Council meeting agenda. Initially, the requesting agency will enter a 2-3 sentence description. Upon bill filling, the City Attorney's Office should enter the title above the description (the title should be in **bold** font).*

*Both the title and description must be entered between the red "title" and "body" below. Do **not** at any time delete the red "title" or "body" markers from this template.*

A resolution approving a proposed Fifth Amendatory Agreement between the City and County of Denver and CenturyLink

Communications, LLC to provide leased line, data, and telephone services.

Amends a contract with CenturyLink Communications, LLC. By adding \$8,000,000 for a new total of \$30,000,000, adding two years for a new end date of 9-30-21, modifying the Intrastate Metro Optical Ethernet (MOE) Service and adding a new lower price structure for leased line, data, and telephone services to the City (TECHS - CE90535). The last regularly scheduled Council meeting within the 30-day review period is on 10-28-19. The Committee approved filing this item at its meeting on 9-10-19.

Affected Council District(s) or citywide? Citywide

Contract Control Number: TECHS - CE90535

Vendor/Contractor Name (including any "DBA"): CenturyLink Communications, LLC.

Type and Scope of services to be performed:

This is an agreement with CenturyLink Communications, LLC. to provide leased line, data, and telephone services to the City and County of Denver. This includes phone numbers, phone service, and different classes of communication lines that are used to connect City sites. Denver Health, DIA, Denver Human Services, Denver Convention Center, and Waste Water can all opt to purchase services from this contract. This amendment will extend services by two years to give Technology Services and General Services Purchasing time to complete a new Request for Proposal and contract with the awarded vendor. This amendment also includes modifications to the Intrastate Metro Optical Ethernet (MOE) Service and modifies the pricing to a lower pricing structure. This amendment will also increase the total contract maximum by \$8,000,000 to continue to pay for services throughout the life of the contract. Current annual spend on this contract is \$2,300,000 and Technology Services does not foresee a drop in services requested over the next two and a half years. This accounts for approximately \$6,000,000. The additional \$2,000,000 is contingency that will allow for new technologies that emerge and emergency situations.

Technology Services has amended this contract several times to take advantage of lower pricing and to add technologies offered by CenturyLink that helped to improve upon City services.

An example of how this contract is used would be the new 911 Communications Center on 45th Ave. Technology Services used CenturyLink to bring in all telephone services, network services, and all 911 specific communications to the new communication center. CenturyLink provided very specific expertise to assist the City with 911 telephony services to include the move from the old 911 center to the new 911 center. Without this contract it would not have been possible to open the new 911 communications center. This contract also contains the City's internet services, analog services, internet security, and connectivity used for all City facilities.

Location (if applicable):

WBE/MBE/DBE goals that were applied, if applicable (construction, design, Airport concession contracts):

Are WBE/MBE/DBE goals met (if applicable)?

Is the contract new/a renewal/extension or amendment?

Was this contractor selected by competitive process or sole source?

For New contracts

Term of initial contract:

Options for Renewal:

How many renewals (i.e. up to 2 renewals)?

Term of any renewals (i.e. 1 year each):

Cost of initial contract term:

Cost of any renewals:

Total contract value council is approving if all renewals exercised:

For Amendments/Renewals Extensions:

Is this a change to cost/pricing; length of term; terms unrelated to time or price (List all that apply)?

If length changing

What was the length of the term of the original contract?

10/1/2009 - 9/30/2019 10 years

What is the length of the extension/renewal?

2 years

What is the revised total term of the contract?

12 years

If cost changing

What was the original value of the entire contract prior to this proposed change?

\$22,000,000

What is the value of the proposed change?

\$8,000,000

What is the new/revised total value including change?

\$30,000,000

If terms changing

Describe the change and the reason for it (i.e. compliance with state law, different way of doing business etc.)
