*Both the title and description must be entered between the red "title" and "body" below. Do **not** at any time delete the red "title" or "body" markers from this template.*

A resolution concerning adoption of the Storm Drainage Master Plan

for the City and County of Denver.

Approves the adoption of the October 2019 update to the City and County of Denver Storm Drainage Master Plan as the official master drainage plan of the City and County of Denver. The Committee approved filing this item at its meeting on 10-15-19.

Affected Council District(s) or citywide? Citywide

Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

The master plan identifies existing local storm drainage deficiencies and future storm drainage infrastructure needs within the City and County of Denver, excluding Denver International Airport, which has its own storm drainage facilities and storm drainage master plan. This is for adoption of the Storm Drainage Master Plan. It does not obligate any project expenditures.
