Subject: Proposed Changes to the Classification and Pay Plan

The proposed change amends the Classification and Pay Plan by creating a new classification series for the Department of Safety - Pretrial Services Officer. The current associated classifications will be abolished.

The Department of Safety, Community Corrections requested new classifications that better align with duties related to pretrial services provided prior to court proceedings. Five new classifications have been developed for Community Corrections. These new job specifications will be beneficial for the recruitment process ensuring that candidates are applying for the pretrial services career path. The current probation officer classification series will continue to be used throughout the city.
