Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

For 2020 the City will be converting part of its medical insurance benefits to self-insured. Specifically, in 2020, the City's contract with United Healthcare will be self-insured. The 2020 appropriation will include dollars for 2020 claims, administrative cost and the initial reserves. Additionally, the initial reserve will be funded through a transfer of surplus reserves from the Dental Self-Insurance Fund. This will be an appropriated, lapsing fund. The Personnel Director of the Office of Human Resources is the expending authority.

The appropriation in 2020 is \$64,000,000, which reflects City and employee contributions as well as contingency reserves.
