EXECUTIVE SUMMARY

On November 8, 2017, the city executed a Loan Agreement authorizing a \$3,000,000 loan for the development of East Range Crossing, a 10-building affordable housing community located at 5810 N Argonne St. in the Green Valley Ranch neighborhood. The project is providing 252 units for households at or below 60% of the Area Median Income (AMI) including 12 one-bedroom, 120 two-bedroom, and 120 three-bedroom units.

While construction is being completed in stages, the first four buildings are complete and leasing is underway. Because the property is now leasing, the Colorado Housing and Finance Authority (CHFA) requires a "Placed in Service Application" that provides the information CHFA needs to record a Land Use Restriction Agreement (LURA) for the project, and our recorded Deed of Trust must be subordinate to CHFA's LURA. Recording of the LURA allows the project's investor to claim tax credits for the units occupied in 2019. The loan agreement currently does not explicitly authorize the subordination of the city's Deed of Trust to CHFA's LURA and must be amended to provide the appropriate language to allow the subordination.

There is no financial impact to this amendment.
