Type and Scope of services to be performed:

- A. Provide a leadership program that supports enhanced engagement of employees in the agency and growing internal leaders, which will provide a structure for opportunities and accountability for self and others.
- B. For existing leadership, the program will include two sessions. The first will consist of nine (9) leadership workshops targeted for the early part of the year focusing on the Learn, Do, Share Model. The second will consist of nine (9) workshops targeted for the latter part of the year and will focus on strategic goals, targets of opportunities/needs, and the sharing of project plans to improve leadership capabilities.
- C. For new supervisor/informal leaders, the program will provide one (1) leadership workshop per month (12 workshops) for all new supervisors and/or existing supervisors who need refresher training as deemed necessary by their department managers. The program will be consistent with the past three years of content built on the foundation of "Values, Leadership, and Teamwork".
- D. For ongoing work around City values, a Values and Principles Teamwork Session will be made available for leaders needing additional leadership support with their individual teams. We estimate five (5) per month or a total of sixty per year. The sessions are approximately two hours in length.
- E. As needed, 90-day coaching assignments may be provided (approved by Division Director) for Directors, Managers, and Supervisors to include Job Observation, Strategic Planning, and Coaching. We estimate two (2) per quarter for a total of eight (8) per year.
- F. Dashboard assessments and consultations will be made available using the Four Dynamics of Leadership Survey Program that includes the survey to team members, the analysis of findings, and a strategic plan to improve leadership skills.
