Type and Scope of services to be performed:

Denver Marketing and Media Services (DMMS) conducted an RFP process in 2017 to establish multiple contracts with suppliers that will provide consulting services related to planning, managing, facilitating, and implementing marketing and branding initiatives for all City Department's programs, projects, events, and Citywide priorities. As this was the first time DMMS facilitated a procurement process of this nature, there was limited information available to establish individual contract maximums. Due to multiple City Agency requests as well as complex, multiyear marketing projects and campaigns, the current contract maximum is insufficient. The additional \$1,050,000 is estimated to be sufficient to be able to complete any future marketing projects throughout the duration of the contract.

Some examples of completed projects and/or projects in the queue:

- Human Rights & Community Partnerships - I Am Denver Campaign
Street Source is working on a strategic communication rebrand for the existing I Am Denver Program. They are working to create messaging to inspire interest in the project, boost outreach efforts by defining program position and brand so there is clarity and inspiration.
- Denver Police Department - Diversity Recruiting Campaign
Understand how to attract African American and Hispanic officers by creating campaign materials to attract new recruits to become a Denver Police Officer. Bring creativity and strategy to truly humanize the department both in tone and in look and feel.
