Type and Scope of services to be performed:

This contract engages Eckerd Connects as the Workforce Innovation and Opportunity Act (WIOA) One-Stop and comprehensive services provider for the City and County of Denver for the 2020-21 funding year, in addition to supporting other workforce activities that fulfill both state and grant-funded requirements. Eckerd will engage and serve Denver's priority populations and targeted neighborhoods according to the scope of this contract and DEDO's strategic direction. In addition to its WIOA and grant administration role, Eckerd is also responsible for convening partners and stakeholders who represent the larger workforce system. This group, collectively named the Denver Workforce Integration Network (DWIN), meets monthly and is designed to better align the regional workforce resources with education and economic development assets to create a collective response to labor market challenges. DWIN has allowed for increased access to workforce development services for Denver residents.

Denver Workforce Services aspires to provide workforce investment activities that increase the employment, retention, earnings, and occupational skill attainment by participants, and, as a result, improves the quality of the workforce, reduces dependency on government assistance, and enhances the productivity and competitiveness of the region. ResCare will continue to engage local employers, industry associations, and sector partnerships to understand the current and future needs of business, and will offer training and employment opportunities to unemployed and underemployed job seekers.

Our success is measured, in part, through data on the following:
