Detailed description of the item and why we are doing it. This can be a separate attachment.

The proposed change amends the Classification and Pay Plan by changing the title and pay grade of the City Inspector classification series.

OHR conducted a citywide study on the City Inspector classification series which is used across various departments throughout the city. Job Analysis Questionnaires were completed by employees and OHR also conducted field work. Employees in these positions perform inspection work on various projects while ensuring compliance with City standards and ordinances and investigate citizen complaints regarding violations.

It is recommended to change the titles of the City Inspector, Associate City Inspector and Senior City Inspector to City Inspector I, II and III to follow the city’s standard naming convention. OHR is also recommending changing the title of the Chief Inspector to City Inspector Supervisor to better define that the classification is a supervisory position. Lastly, it is recommended to increase the series by one pay grade.
