Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

This ordinance approves a Cooperation Agreement between the City and County of Denver and the Denver Urban Renewal Authority (DURA) for the sales and property tax increment areas within the 1840 Grant Street Urban Redevelopment Area, generally bounded by 19th Avenue to the north, Logan Street to the east, the northern property line of private property to the south, and Grant Street to the west. One of the three parcels fronts Grant Street while the other two have frontage along Logan Street.

DURA, in coordination with the City's Department of Finance and Department of Community Planning & Development, is seeking to establish an Urban Redevelopment Area ("Area") to support redevelopment of the Area through the approval of an Urban Redevelopment Plan (the "Plan"). Staff of the City and DURA have agreed to an Urban Redevelopment Plan and Cooperation Agreement for the creation of the 1840 Grant Street Urban Redevelopment Area and the use of sales and property tax increment financing by DURA, subject to City Council approval.

The Cooperation Agreement established the parameters for sales and property tax increment financing for the purpose of financing projects for the benefit of the Area following approval by City Council.
