Affected Council District(s) or citywide? Citywide

Contract Control Number: TECHS-202056837

Vendor/Contractor Name (including any "DBA"): Accela, Inc.

Type and Scope of services to be performed:

The City purchased the Accela Civic Solutions software in 2010 for enhancing the user experience for City applications for permitting, Geographical Information System (GIS) information, licensing, planning, code enforcement, inspections, making online payments, logging complaints, etc.

As part of the City's use of the Accela software suite, the City pays an annual fee for software support and maintenance. Software maintenance and support services include remote troubleshooting and support provided via the telephone and online channels, as well as installation assistance and basic usability assistance. Software support services may also include new product installation services, installation of product updates, migrations for major releases of software and other types of proactive or reactive on-site services, future minor versions (point releases) or future major releases of software.

This contract amendment extends the term by two years and increases the maximum contract amount to allow payment for two more years of software maintenance and support. Items covered are:

- Accela Citizen Access Maintenance and Support
- Accela Mobile Office Department Site License Maintenance & Support
- Accela Licensing and Case Mgt Department Site License Maintenance & Support
- Accela Land Management Department Site License Maintenance & Support
