**A resolution approving a proposed Ninth Amendatory Agreement between the City and County of Denver and SMG to address COVID-19 impacts on contractor's performance and costs prior to resumption of pre-pandemic activity levels.**

Amends a contract with SMG by adding language addressing impacts on contractor's performance due to the COVID-19 pandemic, controlling costs until normal activity levels resume, and adding city contractor minimum wage ordinance requirements for stagehand staffing and payroll services at Denver Arts and Venues facilities. No change to contract amount and duration (CE93004). The last regularly scheduled Council meeting within the 30-day review period is on 3-30-21. The Committee approved filing this item at its meeting on 2-24-21.

**Affected Council District(s) or citywide?** Council District 9

**Contract Control Number:** CE93004

**Vendor/Contractor Name (including any "DBA"):** SMG

**Type and Scope of services to be performed:**

SMG was contracted in 2008 to provide stagehand staffing and payroll services at multiple DAV facilities. This includes providing administrative personnel and management expertise as well as on-call services. Due to the COVID-19 pandemic and State and local public health orders, neither the agency nor Contractor were able to engage in normal activity during 2020, nor will they be able to do so for part of 2021. This amendment seeks to amend the contract to controls costs until normal conditions resume and adds a requirement that contractor pay the city minimum wage for work performed.
