Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

The Department of Finance is seeking City Council approval of an ordinance that will authorize the Division of Real Estate to amend commercial leases with Subway Real Estate LLC in City-owned buildings located at the Justice Center Garage and the Webb Building.

This is a follow-up to Ordinances Number 20-0388, 20-0665, 20-1386 and 21-0219 passed by Council on May 6, 2020, August 3, 2020, December 21, 2020 and March 30, 2021 which approved a total of 15 months of rent deferral. Payments were set to resume in July 2021; however, the franchisee has not yet resumed making rental payments for either location. With this ordinance, an additional 6 months (total of 21 months) of rent would be deferred in light of the COVID-19 pandemic, deferring the payment of rent through December 31, 2021.

The owner of 5280 Enterprises, the franchisee of the Subway locations at 201 W Colfax Avenue in the Webb building, and 434 W 14th Avenue in the Justice Center Garage, requested a deferral in rent because of a continuing lack of demand post-COVID.

Webb Building Location: Sales at the Webb Building location are driven by employees and visitors to the building. Even pre-COVID, foot traffic from the general public has been very limited due to lack of exterior signage and security requirements for entering the building. Subway has been unable to re-open this store because low building occupancy for the foreseeable future. In addition, it is currently very difficult to find and retain staff. To avoid sustained losses, the franchisee has now closed the Webb building location until building occupancy returns to a level sufficient to sustain business.

Justice Center Garage Location: Sales at the Justice Center Garage location are driven primarily by jurors and other attendees of trials. This location continues to operate during COVID at reduced hours; however, due to the reduction in foot traffic and decreased Court operating schedules, the location now operates at a loss.

The other tenants who had received COVID rent deferral in the past have continued to operate, are already paying rent, or are presumably planning to pay after rent deferral / rent credits are exhausted.
