Business Improvement Districts (BID's) are organized for the benefit of commercial properties to assist with infrastructure improvements and their maintenance, as well as having the ability to perform marketing and economic development activities. This is the operating plan and budget for the Santa Fe BID (the "District") and it is submitted annually.

General Description of District and Location: The District service area consists of the commercial properties along both sides of Santa Fe Drive from 6th Avenue to 13th Avenue, and the 7 blocks are made up of approximately 130 properties.

The main purpose of the District is to improve the economic vitality and overall commercial appeal of properties in the District. The District provides programming and benefits to taxable business and commercial properties located within the proposed boundaries that includes economic development, physical improvements, safety, and advocacy.

District Structure: The District has no debt and no mill levy but assesses commercial property owners with a special assessment. The amended 2021 budget includes total expenses of \$156,470 vs original 2021 budgeted expenses of \$148,425. The proposed 2022 budget contemplates two assessment rates: \$7.81/lf of commercial property fronting Santa Fe Dr. and \$0.099/sf of commercial building. The proposed budgetary expenses for 2022 is \$154,225. The Board of Directors is composed of 7 electors.
