Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

This ordinance approves a Cooperation Agreement between the City and County of Denver and the Denver Urban Renewal Authority (DURA) for the sales and property tax increment areas within the Fox Park Urban Redevelopment Area. The Fox Park Urban Redevelopment Area is approximately 41 acres containing five parcels situated along the northern edge of the 41st & Fox Station Area, bordered by the rail tracks to the west, Interstate-70 to the north and private property to the east and south.

DURA, in coordination with the City's Department of Finance and Department of Community Planning & Development, is seeking to establish an Urban Redevelopment Area ("Area") to support redevelopment of the Area through the approval of an Urban Redevelopment Plan (the "Plan"). Staff of the City and DURA has agreed to an Urban Redevelopment Plan and Cooperation Agreement for the creation of the Fox Park Urban Redevelopment Area and the use of sales and property tax increment financing by DURA, subject to City Council approval.

The Cooperation Agreement established the parameters for sales and property tax increment financing for the purpose of financing projects for the benefit of the Area following approval by City Council.
