A resolution approving a proposed Revival and Third Amendatory Agreement between the City and County of Denver and Mental Health Center of Denver for operation of the Denver Crisis Intervention Response Unit.

Affected Council District(s) or citywide? Citywide

Contract Control Number: ENVHL-202161518

Vendor/Contractor Name (including any "DBA"): Mental Health Center of Denver

Type and Scope of services to be performed:

At the end of 2021 the program has 27 district-specific clinicians (6 specific to nightshift), 1 jail liaison, 4 RTD clinicians, 1 fire clinician, 1 sheriff clinician, and 4 case managers. The program also has 4 managers who oversee the program and supervise staff, while also working in the field as clinicians, for a total of 42 MHCD staff working in the program.

In 2021, the CIRU served a total of 2,305 unique individuals during 2,955 encounters. Since April 2016, the CIRU has had a total of 11,131 encounters. The direct indicators of success for the CIRU are counter-factual - arrests and hospitalizations that did not happen. The CIRU has become an important support in the City and County of Denver. The CPCC recommends that the funding continue for this program, with a planned transition of the program to be funded by and managed by the Department of Public Safety over the next few years. The Commission is requesting the contract amount in 2021 to reflect actual expenditures more accurately due to some costs being offset by Medicaid reimbursements to MHCD.
