This funding is awarded from the U.S. Department of Health and Human Services, Health Resources Services Administration (HRSA) each year in two parts to make up the whole award for the fiscal year. The amount listed in this request of \$7,789,733.00 is for the full award for this fiscal year, FY2022. The first part of the award for FY2022 was received in the amount of \$2,484,567.00. The second part of the award for FY2022 was received in the amount of \$5,305,166.00. These two Notice of Award amounts equal the total of \$7,789,733.00 in this request. This year, the initial bill request from the Budget Management Office to appropriate the funds in the amount of \$4,745,690.00 was based on a letter of intent from HRSA for FY2022 and was approved with bill number 21-1513. The funder, HRSA, required the funds for FY2022 to be appropriated at 50% of the estimated full award based on the letter of intent. This resolution request encompasses both parts of the funding from the Notice of Awards received that make up the total funding for FY2022 of \$7,789,733.00. This request is being submitted now for approval of the final FY2022 award.
