**Contract Control Number:** (TECHS- 201948348, 202264118)

**Vendor/Contractor Name (including any "DBA"):** Kainos Worksmart, Inc.

**Type and Scope of services to be performed:**

Kainos Worksmart, Inc., will provide the City with Software as a service (SaaS) related to the City's growing use of Workday. The purpose of this contract and Technology Services partnership with Kainos is to help ensure City use of Workday modules is accurate, secure, and successful.

In order to maximize the City's partnership with Kainos and Workday, Technology Services is requesting to exceed a three-year term. The City has invested time and effort into the relationship with the vendor and their knowledge of our specific Workday implementation. Kainos allows the City to remain confident in our configuration of modules, and ensure work is secure as the City's use of Workday continues to change and grow.

The Contractor shall provide a Workday automation tool. This is done using the Smart Test Pack, which ensures that City's use of Workday modules is accurate and secure as Workday implementation continues to grow. This includes technology development, technology customization, and monitoring.
