Affected Council District(s) or citywide? 11

Contract Control Number: 202161311

Vendor/Contractor Name (including any "DBA"): Yeh and Associates, Inc.

Type and Scope of services to be performed:

Airport Infrastructure Management (AIM) seeks to establish a task-based Quality Assurance Inspection Services contract at Denver International Airport (DEN). The vendor will provide quality assurance personnel for use on airport roadway and airfield projects on an as-needed task basis at DEN to comply with The City and County of Denver's Standard Specifications for Construction General Contract Conditions, Title 17 and FAA Advisory Circular 150/5370-12B. This contract is task-based to support a variety of projects and will be funded by the approval and issuance of each task. Tasks may include Federal Aviation Administration (FAA) funding and be associated with the Rolling Owner Controlled Insurance Program (ROCIP). The successful proposer will need to demonstrate the ability to provide both full-time and seasonal personnel that will work on projects through definition, design, construction, and closeout. This includes but is not limited to providing qualified personnel for lead inspectors and inspector personnel.

The mission of the Airport Infrastructure Management Development (AIM DEV) division of Denver International Airport (DEN) is to Define, Design and Build all the infrastructure and facility developments and maintenance projects at DEN.

The vendor, as deemed necessary by the Senior Vice President of AIM DEV (SVP), will provide professional, technical and support staff to fill various positions required to provide project-specific services required for projects managed within AIM DEV's groups. Under this contract, these project-specific duties shall include quality assurance inspection, as well as other duties as requested. The vendor shall provide and maintain competent staff on an as-needed basis as defined by each project-specific task order.

Vendor-provided staff will be part of integrated teams consisting of City and County of Denver (CCD) employees and other consultants. They will follow established lines of authority and standard communication procedures to ensure that all measurable requirements for a project have been met and projects are successfully completed.
