Vendor/Contractor Name (including any "DBA"): Park Avenue Housing Corporation

Type and Scope of services to be performed:

Colorado Coalition for the Homeless (CCH) is requesting \$5,000,000 from the City and County of Denver in acquisition funding. CCH acquired the La Quinta Inn at 3500 Park Avenue West in December 2021 using a bridge loan. The funding requested from the City will partially pay off the bridge funding. This project currently serves as non-congregate shelter and will continue to provide 103 units of non-congregate shelter. CCH plans to redevelop the site in approximately three years to provide up to 200 units of permanent supportive housing. The City will place a 60-year covenant on the site that allows for a transition to supportive housing with executive director approval. For acquisition, CCH is also requesting \$5,500,000 from the Colorado Department of Local Affairs (DOLA) and will contribute \$1,080,000 in equity, including an operating reserve of \$500,000. The Denver Department of Housing Stability (HOST) is committed to funding the operating costs through 2022; the operating reserve will fund an additional two months of operations, and CCH is applying for operations funding from The Colorado Department of Housing (CDOH) for 2023 through when the project is redeveloped into supportive housing. The project is located in a Qualified Census Tract.

To finance the acquisition of 103 units of non-congregate shelter. Colorado Coalition for the Homeless plans to convert the project to supportive housing within four years from the closing date with Executive Director approval from HOST. Additionally, the covenant will include language that allows for zero occupancy during a three-year offline construction period. The 60-year affordable use period will not include the construction period.
