Type and Scope of services to be performed:

Intergovernmental agreement with Adams County for a marketing contract for Phase 3 of the Aerotropolis Regional Committee with Ogilvy & Mather. This contract will reimburse Adams County for DEN's portion of the Ogilvy & Mather contract.

The below represents the breakdown of the respective payments to be paid from surrounding jurisdictions for the Ogilvy & Mather contract for the Aerotropolis Regional Committee.

City and County of Denver / Denver International Airport	\$515,500
City of Aurora	\$130,185
Adams County	\$130,185

Through the Phase 3, the Aerotropolis Regional Committee will identify the project's key objectives, major deliverables, key milestones, and other limiting constraints. Furthermore, DEN representatives will sit on the Aerotropolis Regional Committee and be involved in every meeting to negotiate the scope with the contractor and identify areas of collaboration with surrounding jurisdictions.

Location (if applicable):

WBE/MBE/DBE goals that were applied, if applicable (construction, design, Airport concession contracts): This project has been reviewed by DSBO and it is determined that the scope of work is excluded under D.R.M.C.

Chapter 28 Article V of the Goods and Services Ordinance; therefore, no DSBO program will apply.

Are WBE/MBE/DBE goals met (if applicable)?

Is the contract new/a renewal/extension or amendment? New

Was this contractor selected by competitive process or sole source?

The Aerotropolis Regional Committee was created in the 2016 Intergovernmental Agreement related to DEN to foster economic development in the City and the other jurisdictions around DEN. Other members are the City of Aurora, Adams County, City of Commerce City, Brighton, City of Thornton, and Federal Heights. Ogilvy & Mather will perform advertising, marketing, and public relations work on behalf of the Committee after providing work in the previous Phase 1 and Phase 2. The contract could not be procured competitively or from another source because Adams County is serving as the fiscal agent for the Ogilvie & Mather contract. Further, Ogilvie & Mather is the preferred source for the Committee's work because it provides continuity from their previous work and the other governments on the Committee have agreed to use them also.
