Authorizes a contract amendment with Bayaud Enterprises, Inc. through contract control number HOST 202264476-02. This contract will provide employment services including administration of the Denver Day Works Program. This contract amendment will add $41,600 to provide additional support for participant wages for the Denver Day Works Program. Bayaud Enterprises will provide outreach and recruitment to at least 220 homeless individuals to participate in the program.

Scope of work:

The Denver Day Works program is a supportive work program designed to provide a low- to no-barrier work experience for people throughout the city who are experiencing homelessness, while also connecting participants to supportive services such as food, shelter, referrals, and other necessities.

Bayaud Enterprises coordinates and supervises work experiences for participants at approved private, city, or other public sites. Bayaud will also provide benefit navigation, behavioral health referrals, job readiness assessments, individualized employment plans, and meals to participants during work experience activities.

The additional funds requested in this resolution will allow Bayaud Enterprises to continue to offer the Denver Day Works program. Funds will be used for participant wages, services provision, and staffing. The additional funds are necessary because demand for the program is higher than anticipated after it reopened from the previous pandemic closure.
