Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

There is a public purpose for attracting companies and their associated economic activity within the City of Denver, including stimulating economic development, retail spending, strengthening Denver’s tax base, and creating jobs within Denver. Incentives are often necessary to attract and grow private enterprises to further this public purpose. This bill request seeks to create the Denver Retail Attraction Special Revenue Fund, Fund No. 17807, to collect and record the sales tax revenue from the Sales Tax Sharing Agreements into which the City enters with developers to provide incentives to develop within the City of Denver.

The expending authority of the new Special Revenue fund will be the Executive Director of the Denver Economic Development and Opportunity. The Fund will be revenue-based and non-lapsing.
