Type and Scope of services to be performed:

The Denver Rescue Mission (DRM) will provide services to persons experiencing services at multiple DRM shelter sites. Funding provides support for the daily operation of the 48th Avenue and Lawrence Street Community Center (LSCC) and case management that facilitate benefit enrollment and access to housing services.

Scope of work:

- A. DRM will provide around the clock shelter for adult men experiencing homelessness at 48th Avenue Shelter (4600 East 48th Avenue, Denver, Colorado). A summary of services includes, but are not limited to:
 - Client care and case management (shelter, laundry services, meals, restrooms, showers, secure storage for belongings),
 - Operational management and critical incident response to provide support and ensure safety.
- B. DRM will provide day shelter services to those experiencing homelessness at the Lawrence Street Community Center (LSCC) located at 2222 Lawrence Street, Denver, Colorado. The services included are:
 - On-site staffing for day-time operations and access to peer navigation and meals,
 - Custodial services in support of daily operations related to COVID-19 health and safety concerns.
- C. DRM will provide the Next Step Case Management and Support Program to those accessing 24/7 shelter at multiple DRM sites. The Next-Step program includes the following services.
 - Case management services are available to adult men accessing shelter,
 - The Next Step Case Management and Support Program utilizes a 22-point strategy to facilitate a pathway out of homelessness for individuals wanting to engage in case management,
 - The Next Step Case Management and Support Program team will partner with other agencies providing appropriate support and services for individuals,
 - Individuals currently participating in the Next Step Case Management and Support Program have 24-hour access to shelter and its benefits,
 - Access to Peer Navigation.
- D. DRM will dedicate funding to make improvements to Homeless Management Information System (HMIS) data quality. This

includes personnel, data integrity and innovation dedicated to HMIS data quality improvements.
