A resolution approving a proposed Agreement between the City and

County of Denver and Bibliotheca, LLC to lease self-checkout machines and related software licensing for all 27 Denver Public Library branch locations.

Approves a contract with Bibliotheca, LLC for \$769,226.65 and through 1-31-2028 to lease self-checkout machines and related software licensing for all 27 Denver Public Library branch locations, instead of paying an annual licensing fee, owning the machines and handling replacement costs (BOOKS-202265188). The last regularly scheduled Council meeting within the 30-day review period is on 4-3-2023. The Committee approved filing this item at its meeting on 3-1-2023.

Affected Council District(s) or citywide? Citywide

Contract Control Number: BOOKS-202265188

Vendor/Contractor Name (including any "DBA"): Bibliotheca, LLC

Type and Scope of services to be performed:

To provide for the lease of self-check machines and related software licensing for all 27 DPL branch locations. This agreement allows for the lease of self-check machines and software at all DPL branch locations. Self-check machines already exist at all branches; however, this changes the contract model and allows for additional savings and less burden on staff for things like software updates and dealing with out of date or broken machines.

EXECUTIVE SUMMARY

Bibliotheca (formerly 3M) was selected as DPL's self-check system in 2008. For standardization purposes, we have continued to use Bibliotheca self-checkout machines and RFID technology. DPL has various integrations with Bibliotheca self-check software and our resources, such as Novelist recommendations and authentication with our ILS system, Polaris.

This contract will represent a savings of approximately \$200,000 over the five-year term, as well as representing a shift in service model that allows for smaller, more flexible self-checkout units that can be moved as branch needs change. Rather than paying yearly software licensing as well as buying new machines every five years, DPL will now pay \$153,845.33 per year and the self-check units will be replaced at no cost whenever they are deemed too expensive to repair or have reached their end of life. DPL does not have to handle upgrades; everything is provided by Bibliotheca as part of the lease agreement.
