Contract Control Number: Original Contract PWADM-201841662
First Amendment DOTI-202367211

Vendor/Contractor Name (including any "DBA"): Hensel Phelps Construction Company

Type and Scope of services to be performed:

This amendment affords critical continuity of construction management and overall campus coordination for the National Western Center Program, providing CCD and NWCO with a single point of integrated management responsibility for horizontal construction. The original contract was competitively procured and awarded for a 5-year initial term in 2018. The contract scope of services remains the same, including but not limited to, project planning, scheduling, estimating, construction management and overall campus site coordination, including regulatory / permitting and controls, property management, snow removal, utility coordination, site maintenance and stabilization, warranty coordination, safety coordination, traffic control during construction and other campus site management services. This amendment extends the current contract term by two (2) years to end on May 14, 2025 to align with the completion of Program Phases 1+2.
