Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

The Washington Street Corridor, when complete, will facilitate safety improvements via installation or modification of two travel lanes, center turn lanes and multi-use sidewalks along the east and west sides of North Washington Street, running north from 47th Avenue to 52nd Avenue. Additionally, the project will add green infrastructure and parking the corridor as well as new traffic signal infrastructure at 50th Avenue.

The Project will require negotiated purchase or condemnation of all or any portion of any property as needed and is located in Council District 9. This includes easement interests, access rights, and improvements. This ordinance also grants the right to negotiate and execute all agreements and to process all necessary payments.

The Washington Street Corridor Project requires 47 acquisitions, which will be a combination of full acquisitions, partial acquisitions and both temporary and permanent easements. The land being acquired is all commercial property.

Address/Location (if applicable): Washington Street, running north from 47th Avenue to 52nd Avenue.
