Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

The 51st Avenue project will include a bike lane, new sidewalks, and a realignment of the intersection at Washington and 51st Avenue. A new traffic signal at 51st and Washington will provide pedestrian crossing. Sidewalks will be installed along Clarkson Street and the south side of 52nd Street as part of this effort.

This Project will require negotiated purchase or condemnation of all or any portion of any property as needed and is located in District 9. This includes easement interests, access rights, and improvements. This ordinance also grants the right to negotiate and execute all agreements and to process all necessary payments.

The 51st Avenue project requires 1 full acquisition (commercial), 6 partial acquisition (affecting 5 commercial, 1 residential) 4 permanent easements (commercial) and 20 temporary easements (affecting 16 commercial and 3 residential).
