Type and Scope of services to be performed:

The Strategic Investigations Bureau Detectives' mission is to apprehend violent felons, dismantle drug trafficking organizations, thwart terrorism and prevent targeted violence. This mission requires the need for detectives to investigate without detection, the aforementioned crimes and their respective suspects. This requires unique vehicle needs and turning over vehicles on a compressed cycle. This has been traditionally accomplished by leasing vehicles. We are proposing extending the current lease contract. The change in scope occurred for pricing revisions only and included no other changes. DPD was able to negotiate better pricing during this term. Dropping it by \$2,333.88/month.
