Type and Scope of services to be performed:

Touchstone IQ LLC provides help desk and compliance services for the Energize Denver benchmarking and performance requirements, previously assisting approximately 3,000 buildings in the city. The amendment extends the scope of work to an additional 6,000 buildings, for a total of 9,000 buildings covered by the Energize Denver Ordinance and extends the services through 2026 not that rules and regulations for all parts of the program have been finalized. The services provided are help center management, content and system development for the new performance policy, and a direct technical assistance program serving under-resourced buildings.
