**Executive Summary with Rationale and Impact:**

Not having these vehicles has reduced DPL's response time to weather events because they currently don't have equipment that can reliably and effectively manage snow removal and apply salt in parking lots. This purchase is for the replacement of two City vehicles; one vehicle was totaled in a hit-and-run, and the other vehicle was totaled by arson. This purchase will be authorized out of the Risk Management Special Revenue Fund (11838) up to \$114,550; anything above that amount will come from the Denver Public Library Fund Special Revenue Fund (15830). The cost of each vehicle exceeds the \$50,000 threshold that requires authorization for purchase.
