Executive Summary with Rationale and Impact:

The purpose of this ordinance is to authorize the City to implement a 2017 MCC Program using \$65,000,000 of private activity bond volume cap allocation, approve the Program Administration Agreement, approve the Lender Participation Agreement, and approve the MCC Program Guidelines. The 2017 MCC Program will benefit qualified low and moderate income first-time homebuyers or homebuyers that have not owned a home in the past three years within the City

and County of Denver. Although MCCs are not private activity bonds, the private activity bond volume cap allocation received from the State is exchanged in order to implement an MCC program.

The MCCs shall not constitute a debt, a multiple fiscal year obligation or an indebtedness of the City and shall not constitute nor give rise to a pecuniary liability of the City or a charge against the City's general credit or taxing powers.
