A resolution approving a proposed Amendment to a Master Purchase Order between the City and County of Denver and C&M Air Cooled Engine, Inc., for the purchase of park grounds maintenance equipment and their related parts.

Adds \$1.25 million to the master purchase order with C&M Golf & Grounds Equipment for a new total of \$2,350,000 for the purchase of mowers, tractors, turf equipment, and other park grounds maintenance equipment used for the upkeep and operation of parks and golf courses citywide (0733A0112). The last regularly scheduled Council meeting within the 30-day review period is on 6-19-17. The Committee approved filing this bill by consent on 5-9-17.

Contract Control Number: 0733A0112

Vendor/Contractor Name (including any "DBA"): C&M Golf & Grounds Equipment

Type and Scope of services to be performed: We are looking to increase the allowable spend amount on this agreement for the remaining life of the agreement from the current amount of \$1,100,000.00, to a newly requested amount of \$2,350,000.00. This Master

purchase order was the result of a competitive selection process on behalf of the Denver Parks and Golf agencies facilitated by the Purchasing Division in 2012. It allows for the purchase of park grounds maintenance equipment (mowers, tractors, and etcetera) and their related parts. This increase allows for the last renewal from June 2016-June 30, 2017 as indicated in the original agreement; GS Purchasing along with Denver Parks and Golf agencies will collaborate later this year in the development of next competitive solicitation to be issued in 2017.

Both Parks & Recreation (General Fund) and Golf (Enterprise fund) along with additional City agencies may transact (per their own individual requisition(s)) in relation to this Master Purchase Order Agreement with C&M Golf and Grounds Equipment for lawn and turf equipment.
