#### **Executive Summary with Rationale and Impact:**

Detailed description of the item and why we are doing it. This can be a separate attachment.

In August 2017, City Council approved an ordinance (CB17-0883 / 20170883) creating and establishing the Denver Tourism Improvement District (TID). Voted on by electors of the District in November of 2017, electors approved the levy of one-percent (1%) tax on the purchase of lodging within the District's boundaries and authority to enter into a multiple-fiscal year financial obligation with the City. Pursuant with the establishment of the TID, the Budget and Management Office is requesting to establish a new special revenue fund (SRF) that will be named the *Tourism Improvement District Marketing and Promotion Fund* (11868-2590000). The

fund will be set-up as a non-lapsing, appropriated fund with the main sources of revenue being a portion of revenue collected from the previously mentioned tax levy on the purchase of lodging within the District's boundaries and/or any other sources of revenue. Upon creation, an appropriation of \$5,000,000 will be made from 2018 General Fund Contingency. Revenue will be remitted to the Denver Metro Convention & Visitor's Bureau (VISIT DENVER) on a monthly basis to be used for tourism marketing and promotion services as set forth in the administration agreement entered into by VISIT DENVER and the District.
