A bill for an ordinance approving the purchase of capital equipment from the Planned Fleet Special Revenue Fund.

Authorizes the purchase of a one-ton van from the Planned Fleet Special Revenue Fund to support operations of the Department of Parks and Recreation. The Committee approved filing this item at its meeting on 10-15-19.

Affected Council District(s) or citywide? Citywide

Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

In the 2019 budget Parks and Recreation requested a truck to support a new plumbing maintenance employee, this type of employee actually needs a 1 Ton Van to do their work and not a truck. The price of both of these items is the same but since the truck was in the Appropriation Long Bill this swap needs authorization from City Council. This is fleet reference number 19-721.
