A resolution approving a proposed Contract between the City and County of Denver and Bohler Well Service, LLC concerning on-call maintenance of oil and gas wells located at Denver International Airport.

Approves a contract with Bohler Well Service LLC for \$1,300,000 and through 12-31-22, with two possible one-year extensions, to provide on-call workover rig services for Denver International Airport oil and gas wells including crews, supervisors, pumps, tanks, blow out preventers, auxiliary equipment, miscellaneous services, and associated supplies lines to adhere to all federal and state environmental and safety regulations, required for regulatory compliance regardless of well status (201948716). The last regularly scheduled Council meeting within the 30-day review period is on 11-18-19. The Committee approved filing this item at its meeting on 10-16-19.

Affected Council District(s) or citywide? Council District 11

Contract Control Number: 201948716

Vendor/Contractor Name (including any "DBA"): Bohler Well Service LLC

Type and Scope of services to be performed:

DEN requested proposals to seek on-call, professional work over rig services for maintenance and regulatory reasons, at the DEN oil and gas wells. Bohler will provide work over rig services including crews, supervisors, pumps, tanks, blow out preventers, auxiliary equipment, miscellaneous services, and associated supplies. Work over rig services are required for remedial work and compliance with regulatory agencies. The service is also required to permanently plug and abandon wells as well for wells that are temporarily shut in. DEN was seeking up to two (2) on-call contracts. However, DEN only received one proposal from Bohler.
