A resolution approving a proposed Third Amendatory Agreement between the City and County of Denver and CCG Systems, Inc. to extend the term and increase the compensation to the Vendor.

Amends a contract with CCG Systems, Inc., doing business as FASTER Asset Solutions, by adding \$39,270 for a new total of \$598,025.51 and one year for a new end date of 10-31-20 for software used to manage the database of public works fleet vehicles, equipment and parts, maintenance history and vendor pricing, citywide (201951998-03 CE95025-03). The last regularly scheduled Council meeting within the 30-day review period is on 12-2-19. The Committee approved filing this item at its meeting on 10-29-19.

Affected Council District(s) or citywide? Citywide

Contract Control Number: 201951998-03 [CE95025-03]

Vendor/Contractor Name (including any "DBA"): CCG Systems, Inc. dba FASTER Asset Solutions

Type and Scope of services to be performed:

Fleet Management Division is requesting an extension on the FASTER Contract for 1 additional year from November 1, 2019 to October 31, 2020 in order to support the core functions of our business. FASTER is our current Fleet Management Information System (FMIS). This software need went to RFP in October 2018 and a new FMIS vendor has been selected. This vendor is currently in the contract process led by Technology Services. The extension of the agreement with the current vendor would allow us to maintain continuity with our customers by having continued support from FASTER until the new FMIS is fully implemented and operational which will take approximately 12 months per the PM in Technology Services. Without support from a FMIS, we would not be able to do our business efficiently or effectively and there will be a negative impact to the services Fleet delivered to the citizens of the City and County of Denver.
