Contract Control Number: Prior ENVHL-201842560-01/current 202055654-03

Vendor/Contractor Name (including any "DBA"): Tri-County Health Department

Type and Scope of services to be performed:

To continue building food systems and neighborhood environments to increase equitable access to healthy, affordable foods; also known as Food In Communities (FIC). Strategies utilized as part of the grant:

1. Work in partnership with community members, organizational and business partners, and city/county agencies across these corridors to address policy, system and environmental changes
2. Work with neighborhoods that have limited access to food to conduct assessments (if needed), identify neighborhood priorities and develop action plans (Years 1 and 2)
3. Provide funding and technical assistance to partners to seed action plan implementation and specific projects (based on community priorities) to increase access to nutritious, affordable and culturally important foods (Year 2 and 3)
4. Build capacity and convene food policy councils and food justice advocates to work on the same or similar policies across the region (municipal/county boundaries) that support the neighborhood action plans
5. Pilot and determine feasibility of food access projects with the intent to scale up
6. Integrate these transformative projects into neighborhood/municipal plans
7. Work with food policy councils and decision-makers to address the policies and change the systems so that they support these community driven solutions to food access
