# A resolution approving a proposed Second Amendatory Agreement between the City and County of Denver and Integral Recoveries, Inc. to amend the scope of work for services to assist with the collection of delinquent fines and costs.

Amends a contract with Integral Recoveries, Inc. to amend the scope of work whereby Integral Recoveries will now assess and collect the asset recovery fee, in addition to the court costs owed, in accordance with the DRMC and will work directly with the client in doing so. No change to contract amount or duration (COURT-202055006-02). The last regularly scheduled Council meeting within the 30-day review period is on 10-26-20. The Committee approved filing this item at its meeting on 9-23-20.

Affected Council District(s) or citywide? Citywide

Contract Control Number: COURT-202055006-02

Vendor/Contractor Name (including any "DBA"): Integral Recoveries, Inc.

Type and Scope of services to be performed:

File #: 20-0941, Version: 1

Vendor will collect from the debtor both the amount owed the Court and the collection fee of 20%, remit the amount owed to the general fund and retain its collection fee. This arrangement, which is standard collection process, frees up the money budgeted annually by the County Courts for the cost of collection. All monies owed to the Court will be credited against the debtor's obligation and then reverted to the general fund. This amended Scope of Work negates and reduces to zero the unused portion of \$1,200,000.00 that was added to the agreement in April (\$600,000.00 for 2020, \$600,000.00 for 2021). To date, we have receipted \$360,712.52 (January to July 2020).
