Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

This bill request attempts to establish the Internal Billings and Reimbursements Fund in the General Government Series to bill Denver Human Services and Denver International Airport for direct services provided by various agencies and departments within the City. Prior to 2021, the City budgeted for these services in each department's respective General Fund appropriation, including the City Attorney's Office, the Denver Police Department, the Denver Fire Department, the Denver Economic Development and Opportunity, General Services, Parks and Recreation, and the Office of Human Resources. Starting in 2021, appropriations for services provided by the above departments to DHS and DEN will reside in the Internal Billings and Reimbursements Fund, and reimbursements and bills for services from DHS and DEN will be received in this new

fund. The program budget will continue to be administered by the agencies providing the services.

The new fund number will be 11879. The fund will be appropriated and lapsing.
