#### **A resolution approving a proposed Contract between the City and County of Denver and Hensel Phelps Construction Co. concerning on-call general construction services at Denver International Airport.**

Approves a contract with Hensel Phelps Construction Co. for \$20,000,000 and for three years to provide on-call general construction services at Denver International Airport (202055650). The last regularly scheduled Council meeting within the 30-day review period is on 4-19-21. The Committee approved filing this item at its meeting on 3-17-21.

**Affected Council District(s) or citywide?** Council District 11

**Contract Control Number:** 202055650

**Vendor/Contractor Name (including any "DBA"):** Hensel Phelps Construction Co.

#### **Type and Scope of services to be performed:**

Perform facility and infrastructure projects throughout the main terminal, concourses, airfield, and surrounding area. The scope of these projects varies widely, and a general contractor is needed to coordinate construction activities among various subcontractors. The types of projects could include, but are not limited to, gate expansions, office remodels, concourse renovations,

interior finishes, structural repairs, apron concrete repair and paving, and gate relocations. The total amount of this contract would be awarded to multiple general contractors, and projects will be incorporated into the contract through task orders. In addition to the types of projects described above, the contractor may be tasked to participate in the design phase of a project. DEN's preferred project delivery method is design-build, and as such may require integration with the design consultant. The contractor's involvement will help guide design decisions that will result in projects that can be executed in the most efficient manner possible.
