#### **Executive Summary with Rationale and Impact:**

In non-reassessment years, the City can restore credited property tax mills up to the 2A allowable growth cap. In 2020, mills are being restored to generate additional revenue in 2021 across four funds, including the General Fund, Human Services, Affordable Housing and Capital Improvement Fund (CIF). The associated revenue for the General Fund, Human Services Fund, and Affordable Housing Fund was appropriated in the 2021 Budget Book; however, it was inadvertently omitted from the CIF. This ordinance requests the appropriation of \$2,279,317 attributed to the CIF portion of the restored credited property tax mills. The revenue would be appropriated as follows:

<u>Fund</u>	<u>Org</u>	<u>Project Number</u>	<u>Project Name</u>	<u>Amount</u>
31025	5000000	PZ041	Street Rotomill and Overlay Program	\$2,279,317

The appropriation supports the commitment to additional street paving supported by ballot measure 2A voters in 2015, which was previously supported by a General Fund transfer. This action will restore the funding for that commitment.
