Detailed description of the item and why we are doing it. This can be a separate attachment.

Assessing ordinance to approve 2022 annual costs for the following Local Maintenance District included in Equalization scheduled for October 2021

Local Maintenance District	2022 Budget	Budget Change From 2021 to 2022	Council District
Delgany Street Pedestrian Mal	\$141,350	562.1% Increase	9

*This district's assessment for 2022 will be \$96,350 since there are sufficient reserves held by the district of the proposed 2022 budget. 2022 budget increase is due to the needed Delgany Plaza restoration. Significant costs associated with that restoration are the result of new City Forestry requirements for special permits. Other costs are tree demolition, tree replacement, barrier design for tree protection and consultant fee.
