Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

The Denver 14th Street General Improvement District (GID), a Title 31 district, was created by Council and approved by the electors within the GID in response to the "14th Street Initiative," a public/private partnership between the Downtown Denver Partnership and the City and County of Denver to create Downtown's "Ambassador Street." The initiative began in 2005 and visualized 14th Street between Market Street and Colfax Avenue as both a thriving pedestrian promenade and a major gateway to Downtown for vehicular traffic. The plan contemplated

streetscape enhancements and related public infrastructure improvements. Stakeholders, including private property owners, public officials and business organizations, participated in establishing the conceptual design for 14th Street. The City provided \$10M of bond funding as part of the City's Better Denver Bond 14th Street Streetscape Project. The GID added \$4M of its own funds for project construction. In addition to the enhanced capital improvements, the GID provides ongoing maintenance within its boundaries.

The Ordinance creating the GID and its companion ordinance creating the District Advisory Board provides that the District Advisory Board, after notice and a hearing, is to recommend to the Board of Directors, at least once a year, a proposed Work Plan and Budget, including Maintenance Charges and Capital Charges. This Resolution of the GID Board of Directors is to approve the 2022 Work Plan and Budget, including 2022 Capital Charges and Maintenance Charges.

District Financial Structure: The 2022 budget contemplates overall expenditures of \$561,666 and revenues of \$567,310. The expenditures are comprised of \$251,426 in operating, maintenance, and reserve expenses; and \$310,240 in debt service expenses. The District raises revenue by assessments on property owners via a Maintenance Charge and a Capital Charge. Maintenance Charges are based on a property's location within the district, its assessed value, and its lineal front footage on 14th St. For the 2022 budget the GID will assess \$310,240 in Capital Charges and \$208,512 in Maintenance Charges, and the GID will generate additional revenues from its banner advertising program, from maintenance charges paid by exempt properties, and by district properties requesting the premium GID's services.
