A resolution approving a proposed Agreement between the City and County of Denver and GrabAtYourGate JV, LLC to provide food delivery service from participating airport concessionaires at Denver International Airport.

Approves a revenue agreement with GrabAtYourGate JV, LLC for \$80,000 and three years, with two one-year options to extend, to provide food delivery service from participating airport concessionaires to visitors and staff at Denver International Airport in Council District 11 (202159255). The last regularly scheduled Council meeting within the 30-day review period is on 7-25-22. The Committee approved filing this item at its meeting on 6-22-22.

Affected Council District(s) or citywide? 11

Contract Control Number: 202159255

Vendor/Contractor Name (including any "DBA"): GrabAtYourGate JV LLC

Type and Scope of services to be performed:

The selected vendor will launch a food and beverage gate delivery program. The program will

allow for customers to use a dedicated application or web portal to order food and beverage items from participating DEN concessionaires, for delivery to passengers at a location of their choosing. The vendor must be able to manage all aspects of the operation, from providing the technology needed to each participating concessionaire, managing the online order process, to final delivery to the customer. Participation by concessionaire is optional.

DEN Concessions Food Delivery Services with GrabAtYourGate JV LLC will operate DEN's "Eats Delivered" program, where customers are able to order and pay through participating airport concessions through an app or web-based ordering. The order is then processed by the concessionaire, and an employee with the selected vendor will then pick up the order and deliver it to the customer or employee location within the DEN campus. This service introduces a touchless option for customers to place food and item orders, as well as provides additional options extended beyond the departing concourse. A proof-of-concept pilot initiative was completed with AtYourGate over a 12-month period from 2020-2021 and found that this service was highly successful. During the pilot, DEN was the busiest airport in the AtYourGate network nationwide. The selected vendor would collect a delivery fee from the customer directly (\$3.99 for DEN employees and \$4.99 for customers) then DEN in turn also receives a small revenue percentage of the delivery fee. It is imperative for DEN to enter an agreement with a single vendor who will own the process from beginning to end; a single vendor who will provide order and payment services, as well as employ their own staff to be stationed at DEN who will complete the final delivery of goods sold. This single-vendor approach allows for complete ownership of the program and a single point of reference for all services. In order to satisfy this request, Grab and AtYourGate formed a joint venture LLC to serve as a single vendor, with Grab providing technology and AtYourGate providing staff for the delivery model.
