Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

This bill request increases General Fund Contingency by \$149,000 to reflect the new revenue from the Tobacco Enforcement Program that was not included in the 2022 budget and authorizes a supplemental appropriation in the Denver Department of Public Health (DDPHE) for \$149,00 for the Tobacco Compliance and Enforcement Program. The supplemental appropriation will support three positions and associated mileage costs for the remainder of 2022. The cost of these positions will be supported by the increased revenue resulting from changes to Enforcement fees and fines schedule that were implemented March 2022.

These costs are itemized in the following table:

Position Title	Description of Work	Gross or Annual Salary	Fringe (33%)	Percent of Time on Program	Total Amount Requested (Half of Annual Salary)
Investigator III (Public Health Investigator III)	Specialize in conducting all compliance f/u inspections, complaint f/u inspections, suspension order f/u inspections and advertising and labeling inspections.	\$82,000	\$29,500	100%	\$55,750
Tobacco Program Supervisor (Environmental Public Health Program Supervisor)	Approve all inspections, issue enforcement orders, and represent CCD during appeals. Work closely with EXL to issue/renew TB licenses and address repeat violations through license revocation/suspension.	\$84,000	\$31,000	100%	\$57,500
Administrative Assistant III (Administrative Support Assistant III)	Sends mailers to all retailers in compliance, POC for all tobacco-related questions/concerns, responsible for proper evidence disposal, prepares litigation documents for court appeals and other tasks as necessary.	\$22.00/hr.	\$7.26/hr.	100%	\$30,000
Travel					
Item	Description of Item	Rate	Quantity	Total Amount Requested	
Mileage	Mileage costs (\$0.58 per mile, DDPHE rate) incurred during tobacco inspections and based on additional program needs.	\$0.58	8,000	\$4,640	
TOTAL (Personnel + Travel)					\$148,890

General Fund Contingency is currently \$29,288,900. The original contingency was \$29,400,000. If this item passes, the total contingency will remain the same because the increases in revenue will offset the expenditures.
