Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

Fund 15704 is an SRF used by Human Rights and Community Partnerships (HRCF) for donations for community events, such as Denver Days and the Mayor's Diversity and Inclusion Awards. The language in this fund was last amended in 1985 and includes a requirement that the agency must have City Council authorization for expenditures over \$1,500. This fund requirement limits HRCF's ability to spend revenue in the fund as donations are received.

In 2022, the overall cost for Denver Days was \$22,050 and the overall cost for the Mayor's Diversity and Inclusion Awards was \$17,786. Organizations external to the City and County of Denver provided donations to support these

events and in 2022, HRCF received \$2,500 in donations for Denver Days and \$16,500 in donations for the Diversity and Inclusion Awards. Because donations are often received after events occur and to ensure vendors receive invoice payments in a timely fashion, HRCF initially paid for event costs via their General Fund allocation. HRCF would like to use donations for their intended purposes by journaling from Fund 15704, but this requires eliminating the \$1,500 threshold to do so.

Since the last ordinance to amend this SRF was authorized in 1985, this bill request seeks to provide updated and current language regarding the parameters of the SRF to be consistent with current practices.
