Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

The Toolcat will be used to safely remove debris at encampments throughout the city. Having this tool will allow us to prevent debris being washed into our waterways.

The Wastewater Enterprise Fund is projecting budget savings in the supplies and services lines of its appropriation due to reallocations informed by a strategic budget. The purchase of an additional vehicle has been prioritized and placed into

current spend plans for 2022. This bill request also authorizes a rescission of \$85,000 from the Wastewater Enterprise operating Fund appropriation to transfer said amount to the Wastewater Planned Fleet in order to purchase the vehicle for Wastewater Enterprise Management.
