Type and Scope of services to be performed:

General description or background of proposed request. Attach executive summary if more space needed:

The UASI grant program is awarded to the City and County of Denver on behalf of Denver and the 9 surrounding governments. The intent of the grant funds is to provide capabilities to protect, prevent, respond, recover and mitigate against acts of terrorism. Denver OEM conducts an application process annually to receive projects throughout the metro area for this funding. This project is to procure portable vehicle barriers and transport trailers for 4 of our metro partners. These barriers build on existing systems in the metro region and are available for deployment to protect critical infrastructure. This vendor was selected through a competitive bid process.

The City and County conducted a competitive bid process to procure portable vehicle barrier systems with trailers for Aurora, Lakewood, the City and County of Broomfield and Arapahoe County as part of the Denver Urban Area Security Initiative (UASI) grant process managed through Denver OEM. The result of this bid is a proposal to buy 4 trailer systems with barriers for \$604,960.00
